

Microfinance Training Course Call for Applications

With the support of the EU-Funded MedSt@rts Project, we are pleased to announce “The Palestinian Microfinance Training Course”, targeting 10-15 students in their final year of university with a background in Finance. Dedicated and committed individuals are encouraged to apply to this 6-week training course, which will allow them highly valuable expertise and knowledge that will increase their employability in the marketplace. Participants will receive certifications indicating their completion of the course.

The course will cover a variety of topics related to the Palestinian microfinance sector, including the structure of MSME and financial institutions in Palestine, Loan typology and application procedures, Credit check and credit bureau systems, amongst other relevant topics. Additionally, it will include both theoretical and practical application aspects.

Interested individuals can apply by submitting this [application form](#).

Location: Online

Duration: 6 weeks. Specific dates and times of the courses will be discussed with the chosen applicants to ensure it doesn't interfere with students' schedules.

Time: the courses will take place in the afternoon

Application deadline: 11/01/2021
