Project	:	Corporate Entrepreneurship Responsibility Alliance (CERA-Project)
ToR Title	:	Purchasing of Wheel Tempering Chocolate Machine and Chocolate Molds
ToR Number (Please refer to it when applying)	:	CERA-MSME-TOR-048-A
Location	:	Jordan - Maan
Date of Announcement	:	20/05/2024
Date of Activity & Completion	:	July 2024
Beneficiary Reference No.	:	CERA-MSME-BEN-048

CERA-Project Background:

CERA-Project aims to develop the competitiveness of local Jordanian MSMEs and enable them to integrate their products into local and global supply chains. Specifically, the project develops the competitiveness of 90 SMEs by addressing their capacity constraints to meet quality and consistency requirements of local Jordanian corporates. To do so, the project will leverage and build on the concept of corporate social responsibility to promote 'Corporate Entrepreneurship Responsibility' by creating an alliance that is focused on a shared commitment to promote the growth of smaller suppliers in underserved, non-central regions of the country.

CERA-Project will facilitate the development of business linkages between beneficiary enterprises and alliance members. At a scale, this approach would redistribute economic growth to other regions in the country, spurring job creation and reducing unemployment as a result.

Leaders International for Economic Development is looking for purchasing the following machinery and equipment to support one of the enterprises supported within the project in building their production capacity and enhance the equipment's used, as per the specifications below:

Activity Title : Purchasing of Wheel Tempering Chocolate Machine		Activity No.:	1
Item	Wheel Tempering Chocolate Machine		
	Capacity	:	50-75 Kg
	Double Jacket Chocolate Basin	:	The machine should be equipped with a double jacket basin for heating the chocolate with water.
	Vibrator	:	The machine should have a vibrator that can accommodate two molds, which are detachable and reattach able.
	Conveyor Chain	:	The conveyor chain should be made of food-grade 304 stainless steel and designed for chocolate immersion and should be equipped with air assistance to control the thickness of the chocolate layer during immersion.
Specifications	Conveyor Width	:	≥ 30 cm
	Conveyor Length	:	≥ 150 cm
	Machine Material	:	Food grade Stainless Steel 304
	Variable Speed and Temperature Control	:	The machine should have the ability to change the speed of the auger wheel to match production needs and adjust the chocolate temperature.
	Mobility	:	The machine should be equipped with wheels and brakes for easy movement.
	Power Requirements for Tempering Machine	:	380V 3Ph, 50 Hz
	Power Requirements for Conveyor	:	220V, 1 Ph.
<i>*Picture/design of the machine should be incorporated within the offer.</i>			

Activity Title : Purchasing of Chocolate Molds		Activity No.:	1
Item	Chocolate Molds		
	Mold #	Specifications	Quantity
	1	Piece Size: 42*42*6 mm Piece Weight 12g Mold Size 27.5*17.5*24 mm	100
Specifications	2	Piece Size 40*40*9 Piece Weight 15 g Mold Size 27.5*17.5*24 mm	100
	3	Piece Size 46*27*11 mm Piece Weight 16g Mold Size 27.5*17.5*24 mm	80
	4	Piece Size 34*34*11 mm Piece Weight 14 g Mold Size 27.5*17.5*24 mm	40

5	:	Piece Diameter 32*16 mm Piece Weight 10 g Mold size 27.5*17.5*24 mm	20
6	:	Piece Size 31*27*16 mm Piece Weight 12 g Mold Size 27.5*17.5*24 mm	40
7	:	Piece Size 39*39*12 mm Piece Weight 18 g Mold Size 27.5*17.5*24 mm	60

Taxes and other Terms:

- The offer must be addressed to Leaders International for Economic Development/CERA
- The offer should be including VAT.
- The offer should show a breakdown of the calculation, including the cost of delivering the items, In addition to any other fees such installation when applicable.
- Pictures of items must be clearly demonstrated in the offer.
- Leaders International may choose to award a purchase order to more than one vendor for specific items and activities in the Term of Reference.
- Delivery is door-to-door to the indicated location above, in coordination with LI designated team.
- Company's registration certificate must be provided with the offer.
- Other terms may apply and will be communicated before the official awarding.
- Please mention the ToR number: CERA-MSME-TOR-048-A in the offer & the email subject.

Please submit your Technical and Financial offers, in addition to your company profile: procurement@leadersinternational.org, no later than 03/06/2024 using JD Currency.
